**OFFICE PHILOSOPHY**

We would like to take this opportunity to inform you that we will spend as much time as necessary with you to fully address your medical problems. This enables us to explain our suggestions and recommendations in depth and answer any questions you may have during your visit. Our staff schedules patients accordingly and we try to be as efficient as possible in order to expedite your entrance and departure from this office. Please be reassured that we value your time. However, given the unpredictable nature of our work, it is not uncommon to have a prolonged waiting period. On many occasions, we are delayed for such matters as patients' medical problems that require immediate attention, hospital calls, physician calls, and/or emergencies. These issues are unforeseen and need to be addressed appropriately. We do not leave this office until all patients are seen and all their medical problems are addressed.

We encourage your comments and suggestions. Thank you.

**PRESCRIPTION REFILL POLICY / MISSED OR CANCELED APPOINTMENTS**

**PRESCRIPTION REFILL POLICY**

Prescription refill requests will ONLY be handled at the time of the office visit. We will no longer process requests over the phone or fax. We are empowering you with the responsibility of making sure you have enough refills to last until your next appointment. If for some reason you find yourself without refills, we will accommodate you with a same day appointment so you may then obtain a prescription that will last until your next office visit. This new policy is a result of an unmanageable amount of calls and faxes for refill requests on a daily basis.

I acknowledge and understand the above-stated Policy.
